TEAM FORMAT:

- Teams may include 2-12 participants, though award breakdown will be based on teams of 6 and 12.
- Single gender or co-ed teams can run in any order they prefer, but only one runner from each team will be able to accumulate points at a time.
- Runners from the same team will be allowed to run together between Sunset and Sunrise (if preferred)
- Team members are not required to run the same number of laps, though each member must complete at least one. Plan and strategize accordingly.
- You are able to register members of the team through Wednesday, May 27th.

TEAM CAPTAIN:

All communication between the team and the Whitewater Center Events Team must go through each Team Captain. It is the Team Captain's responsibility to share all information with each team member. The Events Team can be contacted at events@whitewater.org. This will also include race day communications after the pre-race meeting.

POINT FORMAT:

- Team standings will be decided throughout the race based on the number of points accumulated.
- During the race, points are accumulated by running any of the various Time Laps 24Hr Relay Race routes.
- Each lap has been assigned a point value related to the distance and elevation change of that lap.
- It is each runner's responsibility to mark their bib at the checkpoint for their specific route to verify the completion of the route and to receive points for the team.
- Failure to mark bib accurately will result in no points being awarded for that runner's leg.
- Runners must check-in at the scoring after each lap.
- See [COURSE MAP](#) for routes, and point values. Plan accordingly as only laps completed prior to the 24-hour cut off time will count. Ex: No points are awarded for a runner who starts a route at 6:30 p.m. and finishes at 7:02 p.m. on Saturday.
- Checkpoints will be strategically located throughout the course. Courses can have multiple check points.

BONUS POINTS/RAFFLES:

Bonus points/awards will be up for grabs throughout the event based on mental and physical challenges including but not limited to:

- Running races
- Physical challenges
- Memory based activities
- Three 8-hour windows to collect bonus points throughout the facility
- Three 8-hour windows to run all loops for additional bonus points as a part of "Stairway to Seven"

AWARDS:

In addition to the random competitions and raffles throughout the 24 hours of racing, all participants will receive a unique finisher's medal if they registered before April 13th. We will also present awards to the top 3 solo runners, 2-6 person teams, and 7-12 person teams (regardless of gender-specific or co-ed teams).

RACE HEADQUARTERS:

Race Headquarters will be at our Ridge Pavilion which has restrooms, water fountains, as well as the lap transition zone for all teams. The Ridge Pavilion will also be the site for all three included meals.

FOOD & BEVERAGE:

- Each registered runner will receive three meals throughout the race (dinner on Friday night, breakfast on Saturday morning and lunch on Saturday afternoon).
- We understand that certain participants may have specific dietary needs relative to this event, so the Whitewater Center is modifying the “no outside food or beverage” policy for registered Time Laps 24Hr Relay Race teams only.
- However, per North Carolina ABC regulations, no outside alcohol is permitted on premises and any team violating regulations will be **disqualified**.
- Whitewater Center will be checking team coolers at check-in and campsites throughout the event.
- Other food and drink options will be available throughout the facility for purchase.
- Since this is a lap-based race, there will NOT be aid stations on the course.

Time Laps Menu

Dinner – Friday 6:00pm – 8:00pm

Breakfast – Saturday 7:00am – 9:00am

CAMPING:

- Camp set up may begin at 3:30pm on Friday after you have checked in and picked-up your race packets.
- The Whitewater Center is modifying the “no camping” policy for registered Time Laps 24Hr Relay Race teams only.
- This modified camping policy is only valid for Friday night, May 29th, 2026.
- There will be designated team camping areas throughout the Whitewater Center Facility.
- Based on limited space, teams must be able to fit all gear inside an assigned area. Solo, and 2- 6 person teams will have roughly a 10’x10’ space, 7-12 person teams will have a 10’x20’ space.
- No campfires are allowed. The Events team will have a fire in the fireplace of Ridge Pavilion
- To be respectful of all teams, generators will not be permitted at campsites. Various power sources are available throughout the facility if needed.

- Teams must be cleared out by 8pm on Saturday night.
- A mandatory campsite deposit of \$50 (cash only) will be collected from each team at check-in. The deposit will be returned once the campsite condition (no litter, campfires, damage, etc.) has been approved by Whitewater Center staff.
- Please note, some camping areas will be louder than others. We will do our best at check-in to accommodate team campsite location requests on a first-come, first-serve basis. Come with a plan but be prepared to be flexible.

COURSE MARKINGS:

It is each runner's primary responsibility to become familiar with their route before departure. This is especially important during the night hours. Each individual route will have different color markings. Please see the course map for details.

HEADLAMPS/FIRST AID:

- For everyone's safety, all Time Laps 24Hr Relay Race participants are required to use an operating headlamp or illuminated light source between sunset and sunrise.
- Failure to comply could result in team disqualification.
- We also recommend that each team bring a first aid kit with basic first aid materials. If an emergency is encountered where additional medical support is needed, participants are encouraged to call 911 then notify Event Staff.
